GENERAL DATA PROTECTION REGULATIONS

The new regulations mean that the names of those people who have asked for our prayers will not be published on the benefice website.

The new GDPR will affect the records we keep on regular 'givers'. Letters seeking consent will be sent to everyone who kindly contributes to church costs either through the envelope scheme or by direct debit. People who pay by direct debit will be asked to continue their payments through the Parish Giving Scheme to allow the church to receive Gift Aid payments monthly rather than quarterly.
